## **Dues**

The new fiscal year starts May 1, 2009. Claudia Brazil will be collecting dues. April is the last month that paying dues on time counts as an Achievement Point. Keep in mind these points add up and pretty soon there is a star earned and a certificate being made for the Christmas Party/ Awards Diner.

## **June Meeting**

**Held at the Tri Town Safety Village In Schererville.** There will a cookout. Bring a guest and enjoy. This meeting starts an hour early (6PM) for the cookout. We will be touring the Safety Village and having a meeting. We will be serving hot dogs and polish. Chuck Norman will have a special bag of saw dust coffee grounds that he has been saving all year for this event. We will hold the monthly show and tell. This is a fun time. Hope you can attend. We are looking for a charcoal grill to borrow. See Dick Sader or John Hunter.

## **Monthly Club Breakfast Saturday May 2**

Will be at 9am at Old Country Buffet in Merrillville across the parking lot from Woodcraft.

## **Fair Committee Meeting Saturday May 2**

Will be held after the Club Breakfast at Old Country Buffet. Even if you are not on the committee you are welcome to attend. We still have openings for demonstrators and booth workers. Fair Dates: August 7, 8,9,10. This is a good time!

## **June Library Display**

We are once again lucky enough to be able to display our fine woodworking. This display will be at the Porter County Library. They have a fine locked exhibit case. We are featuring our 2x4 projects and toys. If you have something not in those 2 categories and want to display, GREAT. We will display this too. Marcie White and Phil Malavolta will take any 2x4 projects in after April's meeting. All projects must be labeled with your name, in a box and list a description of the project, the type of wood and finish used. There is an accompanying form that you can pick up at the meeting. Bring all other items to the May meeting. Ideally we will be set up June 1 through June 30. This depends on the library schedule. If you want to bring your item to the library yourself, arrangements can be made.

## **SIG Special Interest Groups**

Dick Sader led the **Scrollers SIG**. Members attending were introduced to how wood burning can add to the beauty of a scroll saw project. Next meeting TBA.

Denny McCoole introduced the **Turning SIG** program. There was interest in turning, I believe this SIG will be a
