President's Corner

Fellow Woodworkers, Summer is upon us and time to work in the shop and have fun. Please take the time to make toys. Be safe and enjoy your time in the shop.

Marcie

Toys for Kids: Bob Roach is gathering numbers so he has an idea how the toy making is progressing. This is a very important program that we sponsor every year. Our goal is 1000 toys. With the state of the economy we suspect that Santa will give Bob Roach a longer list this year.

Hidden Lake Picnic This year our picnic site has changed. If you haven't heard it is a Hidden Lake. Claudia is taking reservations and the \$5.00 deposit per person. This deposit is returned on arrival at the picnic. Bring a dish and your guests.
